LCC Cllr C. Vernon who left at 8.30pm

SKDC Cllr D. Bellamy

Agenda Item No	
2026.56	Apologies for absence. Cllr. E O'Neill and District Cllr B Green – valid reasons given
2026.57	Chair's remarks. Cllr C. Hainsworth (Vice Chair) welcomed everyone and thanked the locum clerk for her work alongside Councillors who have been supportive in carrying out checks. She reminded attendees that the meeting is recorded for the purpose of accurate minutes. The recordings are destroyed when the minutes are adopted.
2026.58	Declarations of interest in accordance with the LGA 2000 None
2026.59	Approval of the Minutes of the previous meeting. All present agreed that the official minutes of the meeting of the Parish Council held on the 1 st July 2026 be approved as a correct record and duly signed and dated by the Vice Chair.
2026.60	County/District Cllr Report. County Councillor Charlotte Vernon reported: - - The options for Local Government Re-organisation (LGR) have been announced. Central Government have decided that from 1st April 2028, Lincolnshire will be comprised of 2 unitary authorities: Lincoln Unitary Authority (mainly Lincoln City) and Lincolnshire Authority (LA). Until then, everything remains the same. The County Council have raised a pre-action protocol which questions the processes taken to reach this decision. This is the first step which could lead to a potential judicial review. In the re-organisation, LA will have 47 x 2-seat divisions and 6 x 1-seat divisions with a maximum of 100 councillors. This will put undue pressure on the 6 County Councillors who will have to cover a large area single handed and there will also be a steep drop in current County Councillor numbers. The location for the new LA offices has yet to be decided. - A huge thank you was extended to the local retained fire service who have been working extremely hard over the dry summer. In one week, they had 58 call outs which is unprecedented. - Drain cleansing will not be carried out if cars are not moved out of the way. Residents receive letters alerting them of the service. If the drains cannot be accessed, they will be left until the next scheduled service date. <i>Cllr C Vernon was made aware of drain issues in Back Lane, Colsterworth and Main Street, Gunby that had been reported on FixMyStreet. Response will be monitored.</i> - The Councillor Grant Scheme is open for applications. Awards from £100 - £3000 are available for smaller projects, and £3001 - £15,000 for wider reaching projects. SKDC Cllr D. Bellamy reported: - - He attended the Bourne Road development committee meeting to raise the PC's objections, but it was approved.

Agenda Item No	
	2. The Local Planning Review is due to streamline the system and the new protocol will be adopted by SKDC. This will not result in a change to the numbers of new builds already designated for the area in the next 5 years and may lead to a rise in speculative development. 3. A briefing is due to be held on Thursday 3rd Sept on the Scheme of Delegation proposed by the Government. It is likely there will be no committees in the future and vetoes and decisions will be senior officer led instead. This system is due to be implemented from October. 4. The AD public enquiry took place over 4 days from the 14th July. The Planning Inspector is due back on site on the 14th Sept. 5. Notices have appeared in North Witham for the landowner with reference to the location of the Weston Marsh Grid and possible sites identified for a depot location during its construction. A traffic survey was carried out on Sunday 30th Aug. 6. Outline planning permission has been granted for a substation near the Canner's Lane development. The site would cover 100 acres. SKDC Cllr B. Green reported via email: - 1. LGR updates (covered above) 2. Kerbside battery collections remain suspended. He is investigating the reason behind this. 3. Changes are being proposed to backbench scrutiny rules at SKDC and these are being discussed at an Extraordinary Governance & Audit Meeting on the 7th Sept. 4. The Canner's Lane Battery Energy Storage Development near Stoke Rochford has been approved. Concerns had been raised about the location, especially the proximity to ancient woodland and the long-term effect on the landscape.
2026.61	To approve an increase order of In Touch magazine to 1050 copies <u>It was proposed, seconded and Resolved</u> To accept the increase order as already agreed via email in time for the September issue to be delivered.
2026.62	To discuss correspondence received reference the future of the Village Hall lease. Cllr C Hainsworth had circulated a summary of the recent position of the Village Hall and its proposed future ownership and usage. The PC has no direct involvement and cannot mount a bid at such short notice, but are very keen to keep the facility available to all residents. The Sports and Social Club has decided it is not sustainable to run, especially with high business rates expected in April 2026. Timeframes and options were discussed. There is a general open meeting being held at 4pm on the 6th Sept. It was suggested that to defer the decision, the PC could apply for an Asset of Community Value (ACV) for the Village Hall. <u>It was proposed, seconded and Resolved</u> To register the Village Hall as an Asset of Community Value
2026.63	To consider replacement defibrillators for Colsterworth – 5 units Report had been circulated with the summons. Three of the defibrillators on Colsterworth are currently on loan. It is recommended that all 5 units are replaced and, alongside the 2 requested for Gunby and Stainby, 7 units need to be funded. Grant avenues need to be explored and expenditure included in the budget. <u>It was proposed, seconded and Resolved</u> To add this as a Finance and Administration project for the October meeting.
2026.64	To consider carrying out a tree survey for the Nature Trail There is an issue with Ash dieback and PC owned trees should be surveyed. <u>It was proposed, seconded and Resolved</u> To request quotes for a tree survey to be carried out.
2026.65	Risk Exception Report

Agenda Item No	
	Received with no comments.
2026.66	Clerks Report Action
1.	Three defibrillators in Colsterworth have been reported as not active. Little Legs Nursery unit needs to be serviced; The White Lion unit also needs a replacement battery, but the cabinet is filling with water; North Witham Village Hall unit needs a replacement battery. All these units are at least 10 years old and not under a service plan. Batteries cost at least £250. Three active temporary units have been sourced for the time being until Council decides on their plan of action - to continue with the old models or to replace them. Buckminster Estates are sourcing 2 units for Gunby and Stainby. The PC has agreed to take on the maintenance and servicing contract for these. Clerk
2.	Both Play Park gates at Woolsthorpe Road play Park do not close properly. The soft close hinges are broken. A different style spring closure hinge will be fitted to the metal gates in situ. A single gate at Colster Way Play Park has also been reported as broken. New hinges have been ordered like for like and will be fitted soonest. Clerk/Cllrs
3.	The clerk has emailed the Planning Department submitting the geophysical survey carried out by South Witham Archaeological Group to satisfy condition 3 of Decision Notice S25/1979. We are waiting for a reply. Clerk
4.	The Council's view on the mirror at the crossroads of High Street and Bourne Road has been sent to the resident who raised the query. Clerk
5.	A Temporary Traffic Road Closure has been applied for Remembrance Sunday, 8th November. A confirmation email has been received from LCC Highways Events team. Clerk
6.	Stackmail has been contacted to try to sort out issues with a Councillor's email. Clerk
7.	Details on the Smaller Authorities Audit Appointments have been updated in preparation for digital AGAR. Clerk
8.	Jonathan Thompson, the local farmer, was phoned to see if he could cut back the hedge at Old Post crossroads as visibility for vehicles trying to pull out of Old Post Lane onto the Stainby Road was poor. He has very kindly completed this. Clerk
9.	Two wreaths have been ordered for 2026 and 2027. This saves on postage. Clerk
10.	Nature Trail – visit with Mo, Nature Trail Ranger, to discuss the state of the trees bordering the trail and the need to carry out a tree survey. Clerk
11.	Fix My Street 2898789: the dead tree on Walnut Grove was reported. Action is underway, but more concerns have been raised about the state of the tree in the current heatwave. Fix my Street: following a report of 30+ KEYKEG cylinders dumped at this location - What3Words:///hourglass.thinkers.harshesht – this has been reported to FMS and we are awaiting a progress report. Clerk
12.	Fly tipping of large sandbags was also reported with photographs supplied. It is thought that the land belongs to Larkfleet Homes and they have been contacted to confirm ownership. Clerk
13.	The print run for In Touch magazine for August received only 19 additional copies on top of the 1000 order. An additional 31 copies had to be ordered as a separate run to fulfil the quota for households. Future orders for the In Touch magazine has been increased to 1050 with only a marginal increase in print costs, but a guaranteed delivery number. Clerk
14.	Cllr Hainsworth and the clerk met with a new allotment plot holder on the Stamford Road allotments to look at plot boundaries and access. Adjacent plot holders were contacted to advise them of the intended clearance of the plot in question and the erection of fencing. Clerk

15.	Fixmystreet 2901993 Overgrown Footpath 20 School Lane to Spring Lane Colsterworth. The footpath was reported as overgrown with nettles so has been registered for clearance.	Clerk
16.	A resident in Gunby reported issues with blocked storm drains and an overgrown stream in the village. This was flagged up in February to LCC, but seems to be an ongoing issue. Cllr D Bellamy has also tried to help to resolve this, but there has been no response. Photos will be taken and forwarded to LCC to see if progress can be made.	Clerk
17.	The Clerk contacted SKDC planning department as no response has been received to the submission of a request for a variation in planning conditions for S25/1979. We are still waiting for a response as the department is very busy.	Clerk
18.	The Clerk visited a resident in Gunby who reported blocked drains and the fact that the stream has not been cleared this year back in February. Several photos were taken to submit to LCC and to Anglia Water. Cllr David Bellamy is aware of the issue and has been trying to pursue a resolution. A FixMy Street case number, 4211942, is linked to the problem: case officer Julie O'Neill. The issue will be followed up.	Clerk
19.	The clerk walked the Nature trail on Weds 26 th Aug with the ranger, Mo Taylor and discussed ongoing issues with trees and future projects which include a new bench donated by the flower club.	Clerk
2026.67	Correspondence	
1.	A meeting was organised with Alicia Kearns MP on Thursday 30 th July in Colsterworth to discuss the HGV issues raised by parishioners.	Clerk/Cllrs
2.	An email was circulated to Stamford Road Allotment tenants to remind them to try to keep weeds down following correspondence from one plot holder.	Clerk
3.	An email was received from HSBC reference potential fee changes from 14.12.26	Clerk/Cllrs
4.	Email asking permission to clear Colsterworth river of metallic debris using magnets. It was thought that this was not in the remit of the PC but the Environment Agency, so no response was required.	Clerk/Cllrs
5.	A donation was received from the closure of garden club. This amount has been ring fenced as an earmarked reserve so it will be used for purchasing a bench for the Nature Trail and other improvements as needed.	Clerk/Cllrs
6.	A parishioner raised concerns about the footpath disappearance from the entrance of Bourne Paddock. The comments from LCC S26/ Rights of Way and Access Team were forwarded to her. It was also pointed out that this application was due to be discussed at the Planning Meeting on 6 th August.	Clerk/Cllrs
7.	Street naming Canister Court - no objections received and the link to local heritage was appreciated.	Clerk/Cllrs
8.	A consultation for new Post Office van times for Colsterworth run from Billingborough was circulated. Date of closure 19 th August 2026.	Clerk
9.	An incident on Nature Trail flagged up on Facebook 22 July. The information was circulated to Councillors.	Clerk/Cllrs
10.	Correspondence was received and circulated about the Village Hall lease and maintaining it as a community asset. See agenda item 2026.63	Clerk/Cllrs
11.	The status of the bowls club is under discussion, but the PC are awaiting a formal approach to be able to take this further.	Cllrs
12.	A resident raised a concern through Mo Taylor, Nature Trail Ranger, about overhanging branches from trees located on the Nature Trail. He confirmed that she could remove any which encroached her garden at her own cost and risk. The tree in question is an ash, so the potential for ash dieback in the future needs to be considered. It looks healthy now, but a tree survey is due for the Nature Trail trees and is recommended.	Clerk/Cllrs

13.	An update was received from Weston Marsh to East Leicestershire National Grid about ground investigation surveys due to be carried out over the next 18 to 24 months. Parishioners can contact them at WMEL@savills.com or see updates at www.nationalgrid.com/wmel	Clerk/Cllrs
14.	A concern was raised about traffic from over-sized lorries on Woolsthorpe Road from Skillington Quarry and possibly the old landfill site and the issue that the weight restriction on the Woolsthorpe Road bridge was being breached. Evidence was requested so that Council could formally lodge a complaint with SKDC and Skillington quarry.	Clerk/Cllrs
15.	A query was received about the derelict garage adjacent to the White Lion on High Street with a view to refurbishment. The PC has no link to the garage, so it was suggested that adjacent properties were contacted for information and advice.	Clerk/Cllrs
16.	Issue of Microlite noise on Wednesday 12 th August over Gunby, Stainby and other villages. This seems to be persistent as it had been previously reported in April. Unfortunately, noise is not a reportable issue, but low flying and possible use of the take-off and landing site for no more than 28 days per month could be enforced. Evidence is needed.	Clerk/Cllrs
17.	A request for an update on the hedge issue at Stamford Road Allotments was received. Savills have been emailed.	Clerk
18.	Issues with cars being parked on Belvoir Close by residents on Colster Way, using it as an overflow car park and allegedly as an area to test out cars being repaired. It causes issues with deliveries and for residents on Belvoir Close.	Clerk/Cllrs
