Remembering Helen Bill

A lovely lady who touched the lives of so many people, Helen worked tirelessly within our community. She was our local Neighbourhood Watch Co-ordinator and Police Volunteer. She also produced a booklet for school children to help raise their awareness and keep them safe.

Helen became the Colsterworth Resilience Forum Central co-ordinator to help older, vulnerable and shielding residents during the Covid 19 pandemic. She organised the volunteer group for shopping and picking up essentials and regularly contacted people just to check how they were getting on during lockdown and for a friendly chat. Helen always had a cheerful smile and positive outlook, even when her own health was failing. She will be greatly missed by so many.

Thank you Helen, Rest in Peace.

Parish Council Report

Parish Clerk - 01476 861888
clerk@colsterworthanddistpc.co.uk

There was no Parish Council Meeting in December 2020. There will be a full report following the February Parish Council Meeting on Tuesday 2nd February 2021. This gives us an opportunity to use this- months, "In Touch" to explain a bit more about your Parish Council.

Elected Parish Councils were first established in the Local Government Act 1894 to reinvigorate local communities and give them a voice. Since then Parish councils have remained largely unchanged. It is not unusual for seats on Parish Councils to be uncontested, and for members to be co-opted where the number of candidates is fewer than the number of seats available.

Currently there are 15 seats on the Colsterworth & District Parish Council covering the villages of Colsterworth, Woolsthorpe by Colsterworth, North Witham and Gunby, Stainby and Lobthorpe. There are Councillor vacancies for Colsterworth (x 3) and Stainby (x1). If you are interested in becoming a Councillor please contact the Parish Clerk. Your Parish Councillors are unpaid volunteers who represent the residents of the Parish

Parish Council's Responsibilities Council Meetings

The Parish Council meets on the first Tuesday of every month at 7.30 p.m., except in January and August when there are no meetings.

Remote Meetings

The Government have issued regulations that give local authorities greater flexibility in the conduct of meetings, including allowing members to attend remotely, and for public and press access to those meetings. These 'Regulations' (The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020) came into force on 4 April 2020.

Following the new regulations Colsterworth and District Parish Council are holding Parish Council meetings using the Zoom online meeting platform.

Before the meeting

The Agenda including a link to join the Zoom meeting will be placed on the website and on the notice board (if possible) as normal (i.e. with three clear days of notice).

Members of the public wishing to join the meeting need to contact the Clerk prior to the meeting via email or by calling the Clerk on 01476 861888 (Office hours only please)

Before the meeting, a public forum is held at which members of the public may speak. Notice of meetings and agendas are posted on notice boards and Minutes will also appear on the website <https://colsterworth.parish.lincolnshire.gov.uk/>

Dog Owners. As a responsible dog owner or walker, it is your responsibility to keep your dog under control whilst in a public place and to clean up after it (amongst other responsibilities). Dog faeces can be easily picked up using a 'pooper scooper' and bag, then disposed of in a responsible manner.

Our Community cleaners Kevin and Mark are responsible for emptying the dog waste bins. Please ENSURE that you use the appropriate "dog poo bags" and securely seal them. They are cheap to buy and

designed for the job. Please do NOT improvise using empty bread packaging or similar light weight bags – they split, and you can imagine the result!

NATURE TRAIL. The village is very fortunate to have this great recreational facility for all to enjoy. It is however being spoilt by some inconsiderate dog owners who do not clear up after their dogs.

CLEAR IT UP PLEASE – THIS IS NOT A DOG TOILET!

If you see a problem, you can report this on the South Kesteven District Council website: www.southkesteven.gov.uk Report It page. Or telephone **01476 406080**.

SPOTLIGHT ON FOCUS

Sadly there is no news on when Kurling will restart. Rest assured all our members will be informed when we can begin playing again.

This time I would like to remember three of our members who sadly have passed away.

Arthur who played for many years and was quite competitive. He was always happy when there were chocolate biscuits on offer!

Karen was one of our Thursday players and despite some difficulties was a very good player. Don't ask me how she did it and not once did I hear her complain.

Helen was a recent newcomer to Kurling. How she fitted it in with all the other things she did for the village is a mystery but I hope that she enjoyed it.

The FOCUS committee and members send their condolences to Kathy, Arthur, Steve and their families to let them know that they are in our thoughts.

A word on "The Sir Isaac Newton Memorial Hall"

The "Sir Isaac Newton Memorial Hall", more commonly called the "Colsterworth Village Hall", is managed by a small Committee of volunteers. The main purpose of the Village Hall is to provide a meeting, recreation and social facility for local groups and individuals. Sadly, this has not been possible during the Covid-19 pandemic. The Committee closed the Hall at the onset of the first lockdown and, regrettably, since then we have not been able to hire out the facility. We know how much people value the various village activities and, particularly, the social interaction which normally takes place in the Hall. So, when restrictions eased in the Summer, we assessed the situation. At that time, the Government issued guidelines to community groups who were considering re opening internal spaces.

We examined each of the guidelines, but regrettably concluded it was not possible for our small charity to meet all the requirements.

Therefore, the Hall has remained closed. Also due to the restrictions, the Committee made the decision to postpone the 2020 Annual General Meeting. It is the intention that as soon as we can ensure a Covid-secure meeting, we shall arrange a date and notify the details through "In Touch". In the meantime, both the Chairman's Annual Report and the 2019-20 Audited Accounts have been circulated electronically to Committee members.

Sadly, our Chairman, Francis Haw and our Secretary, Liz McCaig, have stepped down from the Committee. Both have contributed a number of years to the running of the Hall and the remaining Committee members will miss their input.

The Committee send sincere thanks to both Francis and Liz for their valued contributions.

Liz Kunen is Acting Chairman for the time-being. The Committee will be looking to recruit new members later in the year. If you are interested and would like to know more about what we do, please contact Liz on 01476 862011.

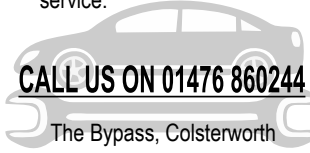

It has been a tough time for everyone. We know, like so many, users of the Hall are looking forward to returning to normal activities. Hopefully, this will not be too far away. As soon as we can safely open the facility for hire again, we shall certainly do so.

In the meantime, please stay safe.

INSPIRING WOMEN

Having just received the January "goody bag" courtesy of the committee members not in lockdown, I put off starting the report for "In Touch" to have a cuppa using the tea bag which was one of the items in the bag together with the packet of Viennese whirls. My word weren't they good? (note to self, find out where to get a supply, they were very more-ish). Also included was a bunch of daffodil buds, they will be a delight as they open in the warmth of the lounge. Answers were given to the puzzles and quiz. Oh, that's what the clue HACC was for a Christmas song, I've never heard of a song with that title, I'd like to hear the rest of it after hearing the title, the mind boggles what would follow. I bet it wasn't one of John Rutter's or Sir Cliff Richard's. I daren't look at the new quiz or word search else I'll never get the first draft of February's waffle done for In Touch. Talking of In Touch, what a lovely surprise to see that there had been activity in a couple of the village organisations. When I was asked to write "something" by the parish clerk even though we weren't meeting way back at the start of the march of the virus through the country, I didn't think that I could find so much waffle to write about. But there you are, you never know until you try. However, the members have found that it has kept them in touch. So many thanks to the Parish Council who encouraged me to have a go and keep In Touch going (and it gives Stuart something to do now he's retired). I'm sure that when we are all back to normal we shall see reports of the Focus Group, the Bowls Club, all those keep fit classes, the Guides and Brownies and maybe find out how the school has coped. The W.I. and Jane of the Nature reports have kept the publication "warm" until you are all ready to start up again. Hope it won't be too long, I'm running out of words.

Sorry, back to business, there was a little bit of business in the bag, a preliminary copy of the 2020 financial report for our perusal before it goes to the auditor. Don't forget to ring our treasurer with your views (good luck with that one Madam Treasurer). The National Federation keep us in touch with the rules and regs in these awful restrictions, and following the publication of the short list of the five resolutions due for consideration for the Annual meeting in April, our votes which you phoned into me (hmm) were forwarded to County H.Q. It will be interesting which will make it to the final count, there were two strong contenders from our Institute. Our members gave their nod to the rewording of the W.I. Constitution. It will remove the necessity for committee and annual meetings to be held physically. These meetings will now be able to be held electronically (it's the virus again).

Cast your mind back to last month's report, remember we were appealing for young fit men to become donors of stem cells to help a young girl who had been let down by a potential donor (in America) changing his/her mind to donate the cells which she needed, remember? Right, the news is that she has received the cells. She was featured in the press and appeared on television this morning thanking the donor. Of course she would have had no idea of the identity of the donor, neither would the donor have knowledge of the recipient. The donor may be given a

report of the patient's progress for some time and it could be quite a time if identities are revealed, and then only if all parties agree. It would be nice to know that we had made this miracle happen wouldn't it?

Was it you, or you? You may find out one day if you had registered with the Antony Nolan Trust, BUT it's never too late, there is always somebody, somewhere waiting for a little bit of you, somewhere in the world. There are no boundaries for stem cells. A relative of mine, a fit young man, was contacted when a match was found for someone needing just what he had, stem cells and he was able to donate, all because he found the time to register with the Trust. Go on lads, do it now if you haven't done it already. Was it your stem cells which Julie received? Could it have been if only you had registered in time. I'm sure that you will find them on line.

It was sad to hear that our past Secretary, Joy Isaac has passed away. She was always so bubbly, full of fun, a whizz in the Scrabble team and the county quizzes. She used to help me entertain at the Red Cross Tea Club's Christmas parties held at Newton Court. You should have seen us, Joy, Olive Adams and me singing a parody of the Mikado's Three Little Maids, lyrics by U. No-Who. We even made the Journal, oh happy days. Rest in peace Joy.

Our next meeting should have been on the 16th February but as my letter from Matt Hancock tells me that I should still be in lockdown until 21st February when the next instructions will be given. If we decide to "zoom" a meeting, we will let you know the details how you will be able to join us. Tell you what, why not ring and let us know if you are able to zoom in the first place and whether you would like to even.

In the meantime, keep well, take the vaccine if it's offered, go there, straight back, stay at home except for medical appointments etc. shopping and work and a stroll round the village, past my alarm clock (the dog on the corner) as you fetch the paper, keep the distance and save not only the Grandmas and Grand-dads but everyone from the blank blank blank virus.

NATURAL HISTORY BULLETIN

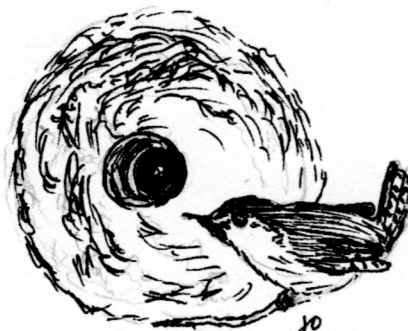

By the time you receive this Bulletin, January will be over. It always seems a long month with less daylight and cold weather. With lockdown we have had to add self isolation, fear of illness and concern for the future. Never have we needed more of what Longfellow described as "nature that old nurse." He is an unfashionable poet these days but the following extract rings true:-

And Nature, the old nurse, took
The child upon his knee,
Saying "Here is a story book
Thy Father has written for thee....."

.....And whenever the way seemed long
Or his heart began to fail
She would sing a more wonderful
song

Or tell a more marvellous tale."

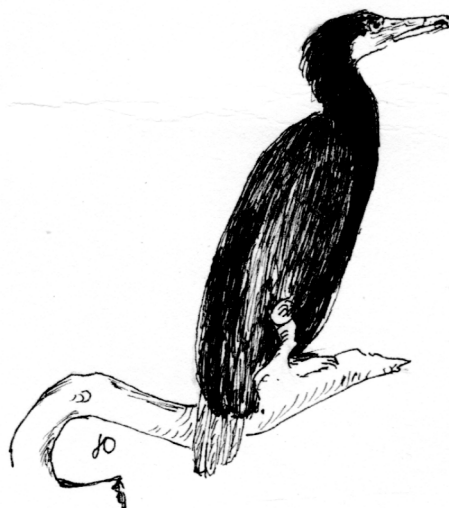

The tales you have shared in these bleak months have mainly been of birds. Thank you to those of you who sent sightings in for January 1st. Those sent from gardens were particularly welcome. Not enough to make generalisations but to support the idea for example that there are fewer finches, more wood pigeons and at least two parties of long tailed tits moving between bird feeders. The wren was not featured in many garden lists yet this shy little bird has over the years featured often in the bulletin – a nest in a hanging basket, and one in a hollowed out gourd, both having successfully reared young. Balls of wrens keeping warm together in an old nest. One March a wren pulling out a fat green caterpillar from the depth of an evergreen shrub and manipulating it into a long thin shape before swallowing. More charmingly another catching a butterfly. Other lists came from targeted areas. A Cormorant joined the Little Egrets, Heron, Geese, Moorhen and Mallards in areas of

the River Witham. Along a well grown hedge there were Linnets, Skylarks and Yellowhammers sheltering. Tree Sparrows and Tree Creepers on the Stamford Road were also discovered at another site. On the Nature Trail the winter visitors of Redwing and Fieldfare were feeding on berries and fallen apples. In Twyford Wood there was the migrant Lesser Redpoll. These records and many others will be kept for future reference and we will have another day in the summer to add to the more than 50 species listed in this small survey.

A dog Fox added to the eerie feel of a winters night as it called for a mate – not so much a bark as something between a scream and a howl. Fallow as well as Muntjac Deer seen in Twyford Wood.

The only notes on invertebrates were a Queen Wasp emerging from logs brought into the house, 20 Garden snails hibernating on a wall (good news for the Song Thrush in the Spring. A Wood Louse colony under a large flower pot. Only the Gorse was in flower at the end of the Nature Trail but in the gardens and hedgerows there were the first flowers of Snowdrops. A single patch of Lesser Celandine had flowers.

To Look For In February Plants targeted for first flowering because of their response to climatic conditions are Hazel, Lesser Celandine and Coltsfoot, followed by Blackthorn. First full bird songs should be noted, particularly Blackbird, Song Thrush and Great Tit. Rooks, Crows and Jackdaws have already started nest building. On a mild day Butterflies like the Peacock, and Small Tortoiseshell may emerge to sun on a wall. If you have suitable plants in flower in the garden you may see the first emergence of Queen Bumble Bees. I look forward to your records and observations at 61 Woolsthorpe Road, 860465 e-mail jnostler@hotmail.co.uk

Elizabeth Daniels

Elizabeth Daniels passed away peacefully in her sleep at home in Stamford just after Christmas at the grand old age of 92. As she stipulated in her will, she will be buried in Colsterworth, the village and home she loved for almost the last 25 years of her life.

Maurice and Elizabeth moved into Colsterworth Manor House in 1995, moving here from Wellingore. The house had needed two years' refurbishment work, but it then became their definitive married home. They loved the old house, parts dating back 400 years. Mum would often emphasise the responsibility she felt she had towards it.

Mum and Dad slotted into village life quickly and came to love the people of Colsterworth and the village. Delighted to be so close to the church of Saint John the Baptist, Elizabeth attended as often as she could, though more infrequently as she became frailer and more immobile. In earlier years, Mum loved to invite everyone over from the church after the Christmas Day service. Naturally, we all became regulars at the White Lion's splendid restaurant and bar in no time.

Their daughter Catherine, Nigel and grandchildren, Tim and Chris, often visited Colsterworth from their home near Stamford. It was also a house where her 'Mexican family' (their son Philip, Yolanda, and grandchildren Charles and Alexander) loved to come and stay during summer holidays. Whenever possible, all ten family members would come together for a joyful evening meal, followed – for the adults – by a brisk walk up School Lane and an essential visit to the pub.

Maurice and Elizabeth were honoured and delighted to be asked to turn on the Christmas lights in 2014. After Dad passed away in spring 2015, Mum stayed in the village on her own but finally sold the Manor House – far too big a property for an old lady on her own, even accompanied by her beloved dog. She moved to Stamford to live nearer Catherine and family.

Grant Sutcliffe

1955-2020

Cheryl, Tracy, Michael and David Sutcliffe would like to thank all their friends and neighbours in Colsterworth for their kind messages, meals and support on the passing of Grant on 13th December 2020.

Grant was very much a community person. He helped to run the Cub and Scout Groups in the village and cooked numerous barbecues at the village hall. He developed a new style of Christmas Carol Service at the Methodist Church. Grant also took it upon himself to be the chief litter collector along Stamford Road, where the family still live.

The care you have shown has helped us through our loss.
