HEADLINES FROM THE PARISH COUNCIL MEETING 3rd DECEMBER 2019

Full minutes and reports are available on the Colsterworth & District Website

Public Forum

There were two members of the public present. First to speak was Mo Taylor the Nature Trail Lead Ranger who gave a report on the low railing at the Bridge End part of the footpath. He explained that as this is a permissive footpath there is no requirement for a railing or minimum height, although 900-1000mil is recommended. He had obtained a quotation of £283 excl VAT plus fixings for the basic materials to raise the height of the railing. The volunteers are willing and able to do the work unless the Parish Council prefers to use a contractor. The volunteers could start the project in the New Year which would take a week to complete. The Chairperson thanked the representative of the Nature Trail and said the subject would be discussed later in the Parish Council meeting.

The second member of public present raised the subject of the stated that he was representing his several of his neighbours regarding some very large trees behind their properties which were protected by Tree Preservation Orders. It was agreed that the Clerk would contact SKDC on behalf of the resident. The public Session was extended to 7.50pm to allow the residents to speak.

Chairperson Remarks

Chairperson Caroline Hainsworth mentioned that this was the last meeting of 2019 and the next meeting would be in February 2019 and wished everyone a good Christmas.

County/District Councillor Report

District Councillor Bellamy said there was nothing significant to report from SKDC but did mention that although he was pleased to note that Colsterworth and District Parish Council had been awarded £2,000 from the Invest SK Heritage Grant application although he was disappointed that it was not the full amount of £4,000. County Councillor Bob Adams encouraged all Councillors to download the 'Fix my Street' app onto their mobile phones.

Updates for Council administration

1. Draft budget and Precepts setting: Unanimously Approved budget and 2020/21 Precept setting. An increase in the Parish precept Band "D" rate results an increase from £48.06 to £48.61 per household per year.
2. War Memorial Grant Application Update: Funds achieved for the first phase with a grant of £1,500 awarded by the War Memorial Trust, £2,000 awarded by InvestSK & £2,000 ear marked funds.

- Resolved to ringfence further £2,000 in Council reserves for 2020/2021 (Phase 1b)

3. Colsterworth Isaac Newton Project.

Councillors Hainsworth and Bouvie have met with Reverend Neil Griffiths who is now awaiting the outcome of grant applications.

4. Accounts for Payment. All were approved by Council. Highways and Footpaths Working Group

It was agreed for Cllr Hainsworth to contact Cllr Adams to review the Parish Council's priorities in light of the amount of time these have been outstanding other issues arising. Cllr Bouvie also raised a matter relating to disabled access at the Bridge End of Woolsthorpe Road and lack of pavements to the Co-op; recently exacerbated by the rains. It was agreed that this would be included in the discussions with Cllr Adams

Environment and Amenities Working Group

1. War Memorial. Funds achieved for the first phase with a grant of £1,500 awarded by the War Memorial Trust, £2,000 awarded by InvestSK & £2,000 ear marked funds.

- Resolved to ringfence further £2,000 in Council reserves for 2020/2021 (Phase 1b)

General Correspondence

Council received details of correspondence received across the Parish ranging from, blocked drains, potholes, litter, fly tipping, overgrown trees and hedges.

Nature Trail

A discussion took place on the height of the railing at the steps at Bridge End (see Public Forum notes above) and it was agreed for the Parish Council to cover the costs to enable the volunteers to complete the work in the New Year.

Police Report – PCSO Bowden

PCSO Bowden was unable to attend the meeting but did pass on Christmas wishes to the whole community and a summary of his report is below:-

- From reviewing incidents reported to police, Colsterworth has remained largely untouched by criminal activity or Anti-Social behaviour. Please report those suspicious people / vehicles using 101.
- Twyford Wood: off-road bikes are still being used in the area. PCSO Bowden asks that If bikes are heard in the wood or any Transit type vans are spotted either in Twyford carpark or at the first southbound lay-by south of A1 services that the registration details are noted and reported using 101.

Thank you from PCSO Bowden :-

- To the Parish Council, for their help and support provided, especially in letting the Colsterworth community know that they have police support. With the reassurance that although not constant, there is a policing presence in the village even if they do not see PCSO Bowden in person.
- To the Community Speed watch volunteers.
- To Helen and Steve Bill, Neighbourhood Watch, they are a great asset to the police office in Colsterworth and carry out similar work in Long Bennington giving the both communities at little extra support and advice by opening the police offices as contact points.

Editorial

Don't you just love the way technology doesn't work the way it's supposed to? Having just replaced a failing graphics card, I am dismayed to find the replacement makes me jump through hoops to merely get an image on the screen. No amount of driver updates, re-installations or bios updates seems to fix it. I have managed to get around the blank screen I'm presented with when I fire it up by doing the following: Switch on PC with DVI cable attached - blank screen. Give it a few minutes, plug in HDMI cable - blank screen. Hold power button to make it restart...PC restarts and shows motherboard splash screen, then Windows logo....all well and good....then, yes you've guessed, blank screen. Unplug HDMI cable, lo and behold, Window login screen and we're up and running. What a bloody performance! If any of you computer geeks out there has any suggestions (keep it clean!) I'd be glad to hear from you!

ALLOTMENTS

Grow your own vegetables next year. The parish council has allotments at Woolsthorpe Road and Stamford Road £15 per year. It is very rewarding when you see your own fruit and vegetables growing – taste the difference! Spotlight on F.O.C.U.S (Friends Of Colsterworth United Societies)

Well, it's happened again hasn't it? I was going to tell you about our Christmas lunch at Belton Park Golf Club but it's hasn't happened yet because it's on the 19th of December and Stuart says I have got to have my piece in by the 17th. So it will be in the February issue!

Anyway apart from all that we are enjoying the Kurling. Fran fixed new bearings on the stones and now even the gentlest push sends them flying. However it makes for an interesting game. For the last two weeks and to get us in the Christmas mood, two of our members have brought in tins of choccies and they fly out of the tins as quickly as the stones. Thank you Janet and Liz K, much appreciated. On our last morning of Kurling, we will be having mince pies and mulled wine. Hope someone saves me a mince pie as I will be helping my daughter move house and won't be there.

You can tell that the colder weather is here, Jane and I are now using 'the warm to the touch' chairs. However, we have one daring Thursday member who is still wearing shorts. Keith, you deserve a medal!

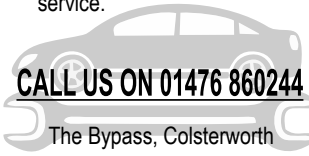

On our last walk, the Blue Plaque walk, the Groupies congregated at Belton Garden Centre. There were quite a few of us and two honorary members, two gentlemen (I say this loosely). And we had a real jolly time going from coffee right through to lunch. Well it would have been rude not to. I am not sure what the staff and other patrons thought of us. Maybe they thought that we didn't get out much. Anyway we look forward to Peter's next walk in February.

As I write I have all my cards posted and all the Christmas presents wrapped. Am I feeling smug? You bet I am!

I will tell you all about our Christmas lunch next time. Enjoy all the festivities see you next time.

INSPIRING WOMEN

What an entertainer our guest speaker, Paul Vickers, was at our December meeting. His talk "The history of magic" was over an hour of wonder and amazement. We heard. And saw sometimes how magicians create illusions. From the cup and ball trick to the gigantic illusions like disappearing elephants which David Copperfield performs. Paul interacted with his audience, using one member as his "stooge" and having banter with several others. He was thanked for a most entertaining performance by Jil Watson. If you didn't come following our invitation in last month's In Touch, you missed a treat. However we were able to welcome one visitor who had accepted our invitation and says that she will come along to our January meeting. So don't miss out as we have some good speakers lined up for our next year's programme. Our Gillian has done some sterling work to give us the very best speakers around (February looks pretty good, we've been waiting eighteen months to get hold of him).

The business of the meeting included a call to study the short list of five proposed resolutions with a view to vote by the next meeting for our one choice each to be finally put forward for the National Annual Meeting in June at the Royal Albert Hall. There were workshops on offer, the Federation annual meeting in March when the afternoon guest speaker is Adam Smith with a talk entitled "From West End to Broadway". We heard him talk and sing at our Grantham Group meeting a couple of years ago. He has appeared in all the top theatres around the world. So if we ask you if you would like a ticket, let me know by the 21st of January if you would like one. You don't have to be a member and I'm not sure but I think that you are able to just attend the afternoon session and so miss all the annual business. I will check with head office.

We heard that four members attended the Grantham Guildhall theatre to see a local drama group's latest production. It was very good they said. Perhaps more will join

them next time there is something which we like the look of. There was an invitation to apply for a place in the Great British Bake off (no takers). The North Lincs Federation schedule for next year's Lincolnshire show looks interesting. We are invited to enter the Co-Operative class and flushed with our success eighteen months ago at Navenby, we may be interested in entering. Another class was for a poem but it had to be illustrated and although I took O level art I couldn't even draw a straight line now. Must check the schedule to see if it can be a co-operative class because I do know that there is a talented artist amongst our membership. Thanks to everyone who supported our tombola at the Church Bazaar. Shame it clashed with the Grantham Christmas jollifications etc. We have decorated our tree for the Christmas Tree Festival. An earlier notification of the theme would have been appreciated as it would give us time to produce home-made decorations to fit the theme as befits the W.I. reputation. Maybe next time eh? We managed to get some cakes baked for the Shopping Event at the White Lion in aid of the Air Ambulance. It will be great to put our feet up over the next few weeks, although we have a coffee morning at the end of January at the White Lion in aid of the Boston Womens' Refuge. Look out for the posters. The ladies of the committee fed us quite royally with sandwiches, sausage rolls pork pie, cakes and trifle and all sorts of naughty nibbles. What a spread that was, see, you missed out again by not accepting our invitation last month. Competition winner for a "blue item" was Peggy Taylor with a miniature clothes peg, runner-up was Helen Scorrer with a pair of little blue "wellies". She was runner-up to Jil Watson in the Flower of the month competition too. Our next meeting is on the 21st January and will be a social afternoon so that we can relax following the shock of paying our subs, well it doesn't seem twelve months ago that we did the very same thing does it? Where did the year go, they seem shorter every time I look at the calendar (must be my age). If you would care to come along to the Sports and Social Club on the 21st at two o'clock, you will be most welcome and you may be sure that there will be a cup of tea and even a bit of cake. See you there then? Fine.

COLSTERWORTH & DISTRICT GARDENERS & ALLOTMENT HOLDERS ASSOCIATION

Our Dec meeting was also the Clubs AGM, which saw the end of many years of service by Gillian, firstly as a committee member and for the last few years as Club Chair, many thanks were given from all the members of the Garden Club for her hard work – and she was presented with a plant and bouquet of flowers in appreciation.

Rod Young has taken over as the new Garden Club chair for 2020.

This was followed by a social evening of coffee, mince pies, and a garden quiz organised by Gillian, raffle and pick the bottle. The December competition for members was "The Holly and the Ivy" with the addition of just one festive item.

In January we have the Garden Club Xmas lunch at the White Lion on the 12th Jan instead of a meeting.

We always welcome new members, so please come along to Colsterworth Village Hall at 7.30pm on second Monday in the month, the next being Monday 10th Feb 2020.

A PARISH COUNCIL BIG THANK YOU TO ALL THOSE GROUPS, CLUBS, SOCIETIES, INSTITUTIONS THAT MAKE A "VILLAGE A VILLAGE". A VERY PROSPEROUS NEW YEAR TO ALL PARISHIONERS.

IN TOUCH. Another year almost at a close and time to thank all those involved in the preparation and distribution of the monthly village magazine – 1000 magazines each month. John and Julia Hincks and 19 loyal helpers that distribute the village magazine through all kinds of weather; the editor Stuart Whitcombe for compiling and layout of the magazine, contributors and of course our many advertisers for their support.

VILLAGE MAINTENANCE. A big thank you to our handyman Graham Brumpton who always goes that extra mile keeping the grass verges and amenity areas trimmed and tidy including public footpaths and the nature trail.

LITTER PICKING. Thank you to our community cleaners Kevin and Mark who help keep our streets free from litter. They also go that extra mile literally to clear litter from village verges discarded by selfish motorists.

NATURE TRAIL. This continues to be an extremely successful parish council led project. This year has been particularly successful for the Nature Trail:-

- Reaching the finals of the Lincolnshire Environmental Awards, to receive a Highly Recommended Certificate in the Best Community Award category.
- Awarded £342.80 from the Lincolnshire Community Wildlife Grant.
- Co-op Community donation of £700 used to purchase and site a bench on the Nature Trail.

Our thanks go to Maurice and Jackie Taylor and the team of volunteers who spend many long hours improving access to the Nature Trail. Keep the good work up.

CHRISTMAS LIGHTS. Thank you to Dave Salter, Darren Laughton, Mo Taylor, Steve Grant, Keith Stanton and Paul Cox who adorned the Yew trees in St John the Baptist Church cemetery with coloured lights. A thank you to them all.

THE WHITE LION; Thanks to Maddie and Dave Smith for supporting several events for the community and providing complimentary refreshments. The White Lion is the hub of the village.

ROLL AND SCROLL; Thank you to Chris Kennedy of Roll and Scroll for donating a War Memorial Bench which has been sited at North Witham. Also for displaying one of his War Memorial Benches and various memorial works in St John the Baptist Church for the Colsterworth Festival of Remembrance.

NEIGHBOURHOOD WATCH. Our thanks to Helen and Steve Bill. With the reduction in policing we are very fortunate to have Helen and Steve who organise the scheme keeping us informed of police alerts and also open up the police station on a regular basis for parishioners to drop in to discuss any concerns they may have. Thank you.

COMMUNITY SPEED WATCH. Thank you to all of our Community Speed Watch volunteers, we now have two sets of equipment, if you can spare an hour or two and would like to be involved then please contact the Parish Clerk Sue Grant on Tel: 01476 861888.

Spectacular Snowdrops

Easton Walled Gardens hosts its renowned Snowdrop Week:
15th - 23rd February 2020, open daily, 11am - 4pm

The Snowdrop; this beautiful, simple flower is the harbinger of Spring.

Drifts of Snowdrops can be enjoyed at Easton Walled Gardens and these delightful winter flowers release a powerful scent of honey on cold, sunny days. We love Snowdrops so much that we dedicate a whole week to celebrate its beauty. Easton Walled Gardens opens its gates for Snowdrop Week on Saturday 15th of February and there is no better place to enjoy swathes of snowdrops, aconites and hellebores as well as innovative spring planting schemes, all spread over 12 acres of beautiful, 400-year-old restored gardens.

"In 2001, the gardens were lost to nature so we began to clear the gardens of brash and brambles. In patches we could see snowdrops hanging on in the undergrowth. As the light was allowed back in, the snowdrops began to recover. We have encouraged them and they now spread across two banks alongside the river. Around these naturalised plantings we have added hellebores, crocuses, daffodils and blue chionodoxa. Throughout the gardens you can see pretty groupings of early flowering perennials and small bulbs". Ursula Cholmeley, Garden Owner, Easton Walled Gardens.

This years' event...

Easton Walled Gardens presents the **Botanical Art Exhibition**, entitled 'Wildflowers' featuring the work of Dawn Wright, Dianne Sutherland and Polly Sutherland, all well-respected botanical artists in the field of botanical drawing and painting. The exhibition will take place in the Coach House at Easton Walled Gardens and entry is included with the garden admission fee. The Art Exhibition runs from Saturday 15th February until Sunday 15th March, on our usual open days.

Guided Snowdrop Tours with garden owner, Ursula Cholmeley and Head Gardener, Ollie Ryan-Moore. will be available to book in advance and will take place before the gardens open to the general public giving visitors an exclusive, behind the scenes look at the snowdrops with advice on how to grow and divide snowdrops, as well as giving tips on naturalising your own collection. Tickets will be available to purchase from November. www.visit-easton.co.uk/shop/tickets/exclusive-snowdrop-tours

HAPPY NEW YEAR

EVERYONE!!

Just a little reminder to keep all those lovely Christmas

gifts safe, away from the opportunist thief.

Electronic devices are particularly attractive.

Ideally, break down all packaging and take to

recycling site in Grantham or dispose and put

out on the morning of bin collection.
