Cllr Caroline Hainsworth delivered Coronation Medals to be presented to the children at Little Legs Nursery in Colsterworth. Sarah Moore, proprietor said "I am grateful to the Parish Council for getting them". Sarah recalled how special it was when she received a Jubilee souvenir as a child and how it was appreciated and that the little ones didn't miss out. She said "It's lovely when history is able to repeat itself when it is a happy occasion"

Cllr Ellis O'Neil, Vice-Chair of the Parish Council attended morning assembly at Colsterworth Primary School on Friday 5th May 2023 to present all the pupils with Coronation medals from the Parish Council. This was a complete surprise for all the children who were delighted to have a memento of this historic occasion.

Cllr Ben Green and Cllr David Bellamy

Dear residents,

We wanted to take a moment to express our gratitude for your support and confidence in re-electing us as your District Councillors. It is an honour, privilege and joy to serve our communities, and we remain committed to addressing the local issues that matter most to you.

We understand that the Conservatives have lost their majority on the Council, and we see this as an opportunity to reflect on the results, listen carefully to grievances and collaborate with others to improve the lives of all South Kesteven residents. We believe that good ideas are good ideas, no matter where they come from, and we are committed to working tirelessly to represent the needs of our villages.

However, let's set politics aside for now and get back to work. We are eager to roll up our sleeves and continue serving our communities. Once again, we would like to express our sincerest thanks for your trust and support. It means the world to us.

Warm regards,
Cllr Ben Green and Cllr David Bellamy

INSPIRING WOMEN

Colsterworth Women's Institute May 2023

If you weren't at the April meeting, you missed the most interesting talk, the most entertaining talk by the most charismatic gentleman Mr Horace Liberty. You could add eccentric to the list. Apparently he rides a penny farthing cycle and showed us his photographs of one, riding round the "Victoria roundabout" in front of Buckingham Palace. He started to tell us of how his family, great grandfather Arthur Lazenby started the now famous name in fashion and design in 1875 when he was 32 years of age. His sons were invited to join the board, two went into sheep farming but the other two went into the business, building a shop importing silk from China to sell from the shop which you can still find in London. Not the same owners as the business was sold to a foreign firm, but you may still be able to go to the top floor where an exhibition of the history of the firms is for anyone who visits.

Liberty teamed up with William Morris, and worked from a prints factory on the river Wandle. Liberty and Morris gave talks on their designs, Morris allowing Liberty's design on his plain ones, but not allow Liberty to have his name on the design. But Liberty's designer hid the name in the intricate design, hiding the name in feathers and greenery of Morris's design. Tales of his design being worn by the suffragettes, pictured in the press, every firm pictured in the "mail" sued them, but Liberty never did – oh, I'd better press on, but he really was the most entertaining speaker. Well done to our speaker secretary Gillian who had found him. Kathleen Biggs thanked him on our behalf, saying

how he had evoked memories of her visits to the shop and was looking forward to visiting the museum at the present shop.

Back to business, the officers and committee members were announced. The Allington quiz is cancelled altogether. A final call was made for the canal visit with a pub visit along the way, and names were called for the Federation quiz at Great Hale. Cakes are required for the Lincolnshire Show, Take a Chance tickets are due for renewal for another year. Only a fiver for 12 months. Our Shirley won three times this year, and some others were also lucky. Diary orders were taken for 2024. Talk about early worms! There is a new subject for the Lady Denman competition.

Competition winners for an article initial A was Helen with a wooden apple, Liz was in second place with an autograph book. Flower winner was Shirley Cox, joint runner ups were Helen Scorrer and Peggy Taylor.

Our next meeting will be on the 16th May (yes I know it has gone by the time you get this new super- duper In Touch (deadlines once again) but we will be discussing and voting on the resolution to be proposed at the National Federation at the end of May in Cardiff. Sandra is all agog for the experience once again. Competition will be an item coloured orange.

A bit early news is that our June Meeting sees Mr Evans (the race horse breeder and trainer) will return to show and tell us of his trip around The Rockies on his motor bike. But in the meantime you will find us at our usual venue the Sports and Social Club on May 16th (oh I bet you missed it) if you are only just receiving the In Touch. We will have eaten all the delicious cakes. But you can catch some on the 20th June at 2pm when Graham Evans is with us. The competition is an item initial B. There will be a warm welcome for you, and the fashionable cake, which has shot up in popularity since we have had a new King and Queen. Love to see you there; 2pm we start and we have mostly finished by 4pm.

Dot Williams

"SPOTLIGHT ON" this month is a tribute to all those volunteers who joined in and celebrated the Coronation of King Charles and Queen Camilla on 6th May 2023. All Parish Councillors are volunteers and on Sunday 7th May the Parish Council hosted refreshments at the Village Hall 'Tabletop' event. There was a great atmosphere with residents and visitors enjoying the refreshments whilst watching the entertainment. Thanks go to Caroline Hainsworth (Chair) and Ellis O'Neill (Vice Chair) along with Cllrs Terry Neal, Lorna McShane, Colin Russell and his wife Margaret, the Clerk Sue Grant and her husband Steve for also volunteering to serve at the table throughout the afternoon. Caroline also presented Coronation medals to the Pram Race winners on behalf of the Parish Council

NATURAL HISTORY BULLETIN

Many trees are at their best in May. Later in leaf this year the spring green was even more welcome. No tree more spectacular than the Horse Chestnut of which we still have a few fine specimens. The 'candles' of flowers sit above a spread of leaves. In one or two cases the flower spikes are smaller as are the leaves. This could be the effect of stress caused by the unseasonable warm autumn where new growth began to develop amongst the leaves of the fall. A curious effect of pollination in the horse chestnut is that parts of the white flowers turn pink. If a bee has visited the flowers 'blush'.

WATER AVENS

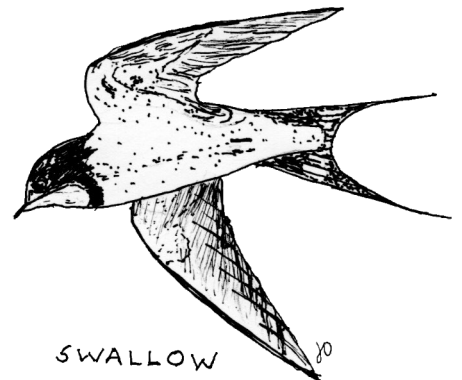

May also marks the drawing to a close of the flowering of the true woodland plants as the canopy closes over depriving them of light. Twyford Wood has been clear felled in the past, replanted with conifers, had main runways built through it during World War Two. It still bears a few of its ancient woodland indicator species – most especially the Wood Anemone whose delicate flowers tremble at the least breath of wind so it also has the common name Wind Flower. Good to

have records of this since it is a plant which does a rapid disappearing act. This is not only because of shade but the predation of a small black beetle which peppers it with holes. Other records of plants in flower which can thrive in the hedgerows were Greater Stitchwort, Red Campion, Bluebell, Violet species, Water Avens, Primroses, Wild Arum and Garlic Mustard (also called Jack by the Hedge). Cowslips on the verges seem to have done particularly well and several people have remarked that they seem extra tall.

Butterflies are back but it seems in fewer numbers especially the Small Tortoiseshells. May appearances sent in were Orange Tips, Speckled Wood (on the Nature Trail) and last the Holly Blue. Unique amongst our native butterflies the Holly Blue has two different food plants for its food source. Those out at present will be seeking out Holly to lay their eggs on and for the emerging caterpillars to feed on the flowers (understandably not the prickly leaves). In the late summer the new adults will look for ivy on which to lay eggs. The caterpillars here feed on the ivy flowers before pupating on the plant for the winter. Other insect notes have included the emergence of the more easily recognised solitary bees and the Bee Fly whose caterpillars parasitise their grubs. One sign that a new pond is doing well is the appearance of the adult, flying stage of a caddis fly. The production of flying insects which are food, for example, to swallows is another bonus for wildlife generally.

The migrant birds are a sign of Spring - the House Martins then Swallows travelling from sub Saharan Africa. A single swallow was first seen on 29th April and several times since but nothing more until 8th May when about 6 flying low together hoping to find some of larger insects. By the first week of May, two House Martins nests were reoccupied

under NE facing eaves and subsequently a small group flying uncharacteristically low. Finally just one or two Swifts on 6th May. The cuckoo has been heard in Twyford Wood. The notes on garden birds continue to add to a general picture which is more encouraging. The adoption of feeders by the Greater Spotted Woodpecker. The return of Chaffinch and Goldfinch. Six Greenfinch feeding on seedheads, Blue Tits, Robins, Blackbirds Dunnocks and House Sparrows nesting. The Songs of Skylark and Song Thrush.

SWALLOW

The one note on mammals this month was of Fox in two neighbouring gardens a situation now often found in urban areas.

To Look For in June

The Grassland flowers and the Butterflies which are associated with them. Any of the migrant warblers and nesting success of those increasingly scarce house martins and swallows. Lizards. It would be particularly interesting to hear from anyone who planted a Tree For Life whilst at Colsterworth School. I look forward to hearing from everybody at 61 Woolsthorpe Road, **860465**, e-mail jnostler@hotmail.co.uk

Festival of Remembrance

A BIG THANK YOU TO THE CO-OP AND OUR GENEROUS COMMUNITY

“Poppy Lady” Jackie Taylor arranged for a “Coronation Collection” for the War Memorial Restoration Fund being organised by CFoR. The collection at the Co-op raised £88.10 – fantastic achievement and thank you to everyone at the Co-op who supported this.

The War Memorial Restoration project is still ongoing and CFoR are working in partnership with the Parish Council to try and raise as much funding as possible. Permanent collection boxes are in place at The White Lion, Co-op and Colsterworth Truckstop. We are so grateful to our local businesses and community supporting this project. Without any action being taken the War Memorial will continue to deteriorate.

YOUR DONATIONS, HOWEVER SMALL, WILL GO TOWARDS THIS PROJECT – THANK YOU

Ingle Charity Update

The Ingle Charity Trustees met in March and agreed to support the Colsterworth Mother and Toddler Group; the 1st Colsterworth Scout Group and the Grantham Foodbank. The Charity was set up in 1914, after a sum of money was left by local lad Frederick Ingle in his Will and has been supporting the community of Colsterworth for almost 120 years.

Frederick grew up at Middlefield House, before training to be an architect in Nottingham. Later he became a partner in the firm, and pioneered and patented a way of fireproofing buildings; the business grew and they had offices in Whitehall. Frederick was involved in the construction of many well-known buildings including the Foreign Office and the Winter Gardens in Blackpool.

But Frederick never lost touch with Colsterworth and always kept a house in the village, returning whenever he could. As well as his Charity, Frederick left some of his tenants their houses in his Will.

Frederick is buried in Woolsthorpe Cemetery on Old Post Lane.
