

The Upper Witham

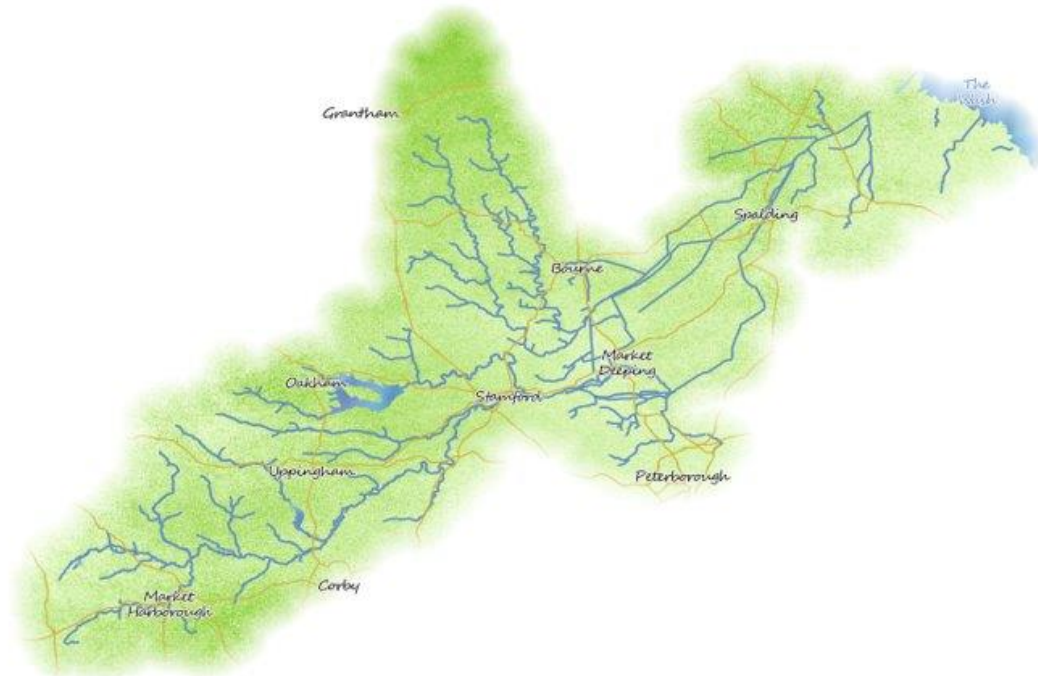

Environment
Agency

About East Mercia Rivers Trust

- Independent charity formed in September 2022
- Covering 5 counties of original Kingdom of Mercia encompassing over 120 watercourse
- Mission: Bringing rivers back to life for nature and communities

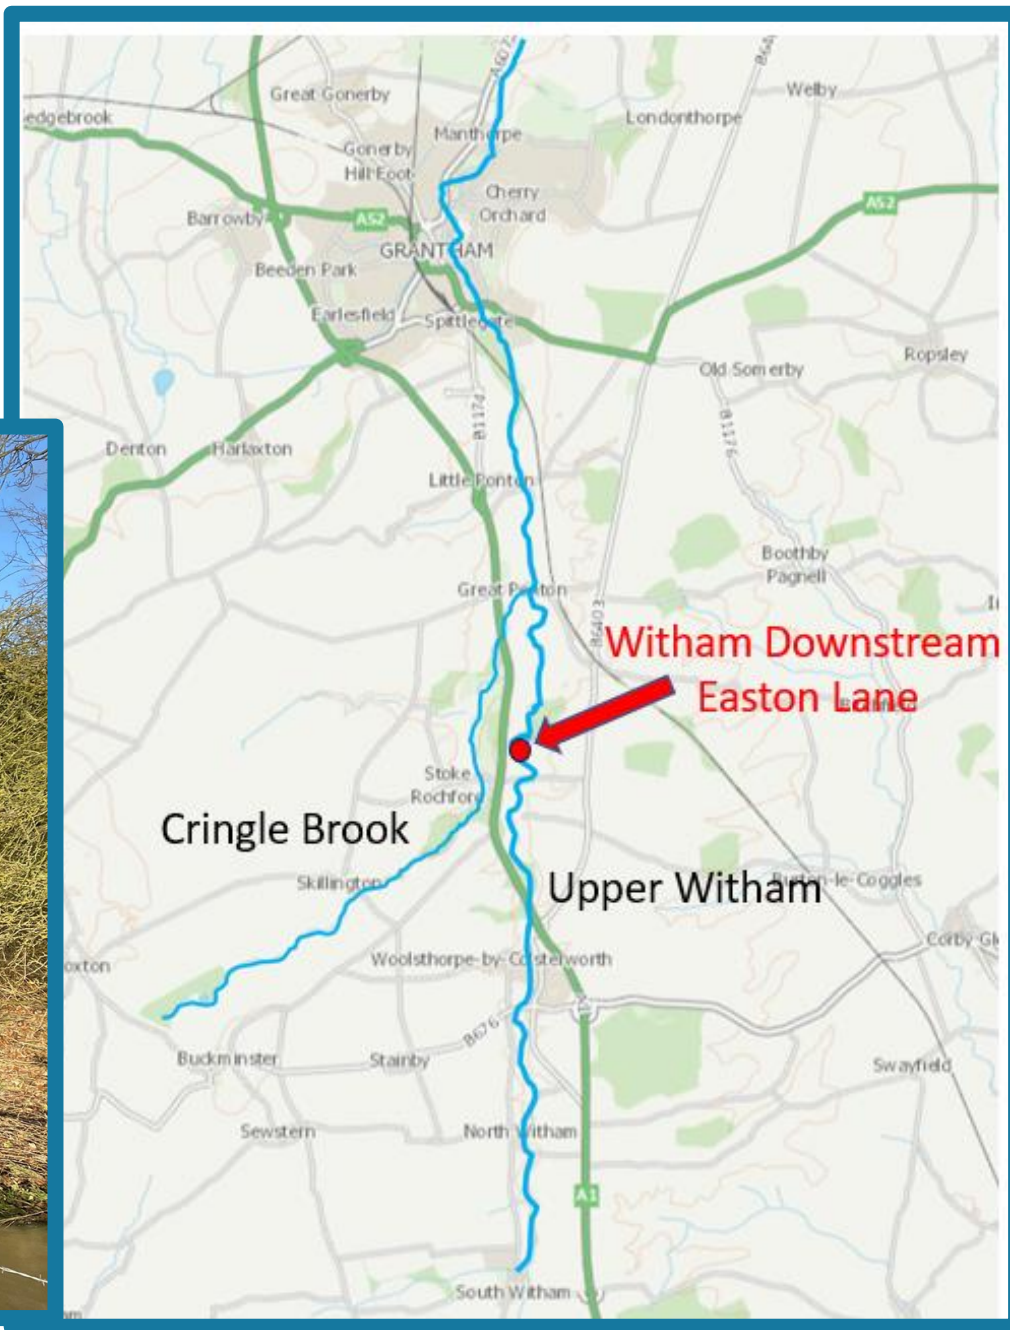

What we want - Lower Cringle Brook

- Habitat diversity
- Pools and Riffles
- Tree Roots
- Flood plain
- Wet Woodland
- Water storage
- Carbon Storage

What we have....

Environment
Agency

Manthorpe Before...

- Flood bank ineffective - not allowing water to drain back into river
- Channel relatively straight & disconnected

Environment
Agency

Manthorpe After....

BENEFITS:

Water storage

Sediment trapping

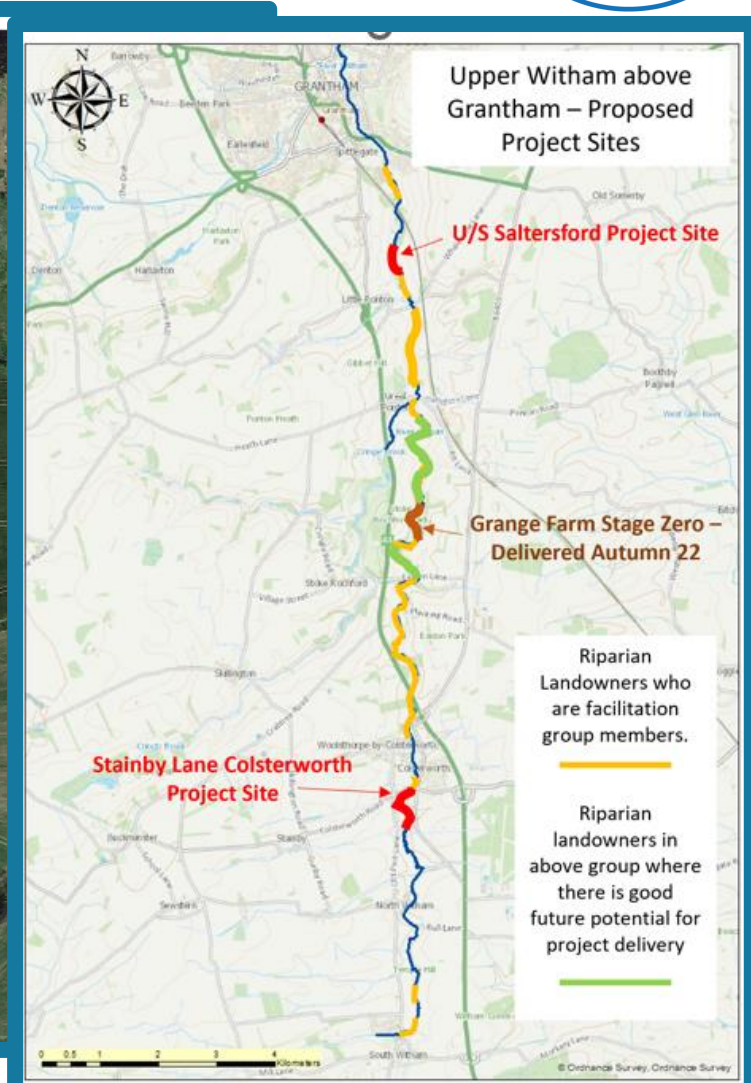

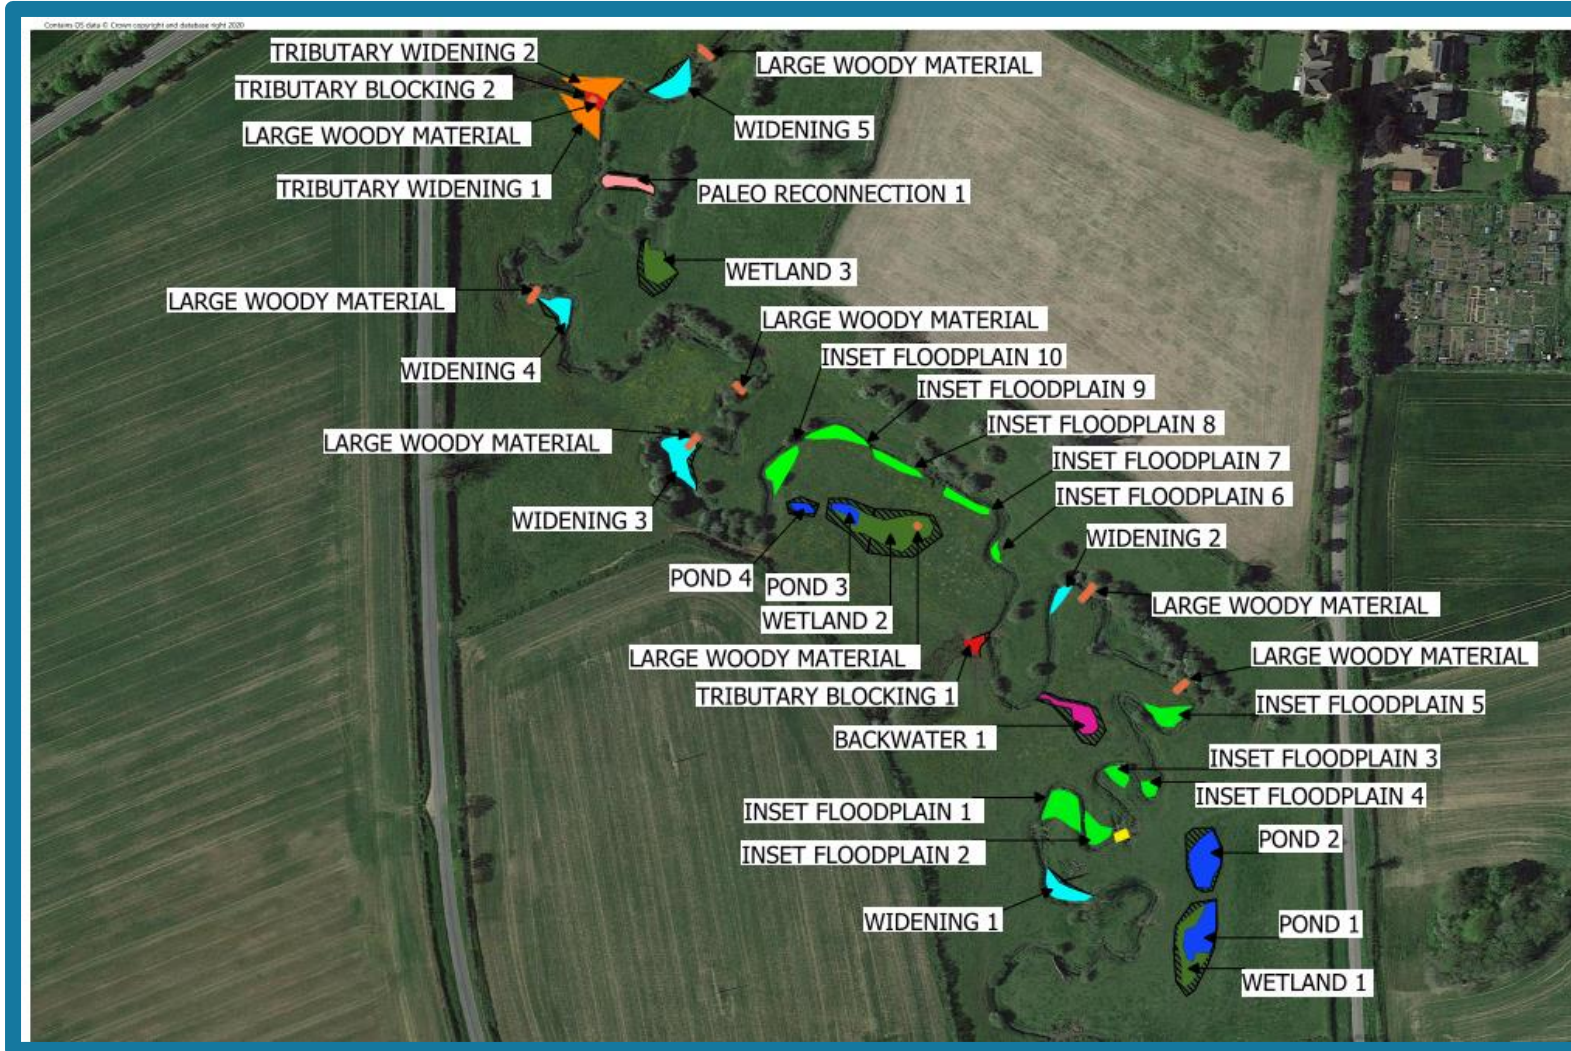

Environment Agency

Belton Park

Colsterworth Project

Environment
Agency

Colsterworth Project

Timeline:

May	Jun	Jul	Aug	Sept	Oct	Nov	Dec
Planning and EA Flood consent applications		River Condition & Ecological surveys complete		Project delivery including fencing		Project Completion
