

MEETING NOTES FROM COLSTERWORTH COLLECTIVE ACTION GROUP
29th APRIL 2024 7.15pm – 8.15pm
Methodist Church Hall, Back Lane, Colsterworth

Present – Colsterworth Collective Action Group Committee

In Attendance – Over 50 residents including Cllrs C Hainsworth, D Bellamy, B Green and the Clerk S Grant.

Stephen Jordan-Bird introduced himself as Chairman of the newly formed Colsterworth Collective Action Group (CCAG) and summarised the Groups aim to put a more focussed approach in objecting to the proposed land for housing allocation east of Stamford Road (SKPR-120 Land at the East of Stamford Road Colsterworth) and propose an alternative site at Bridge End and off Woodlands Drive. Planning permission had previously been granted for the site off Woodlands Drive. The scale of the development will affect all of the village with the lack of infrastructure in place as it stands.

Each member of the CCAG introduced themselves giving reasons why they had joined the group. Their common aims were to keep village life and control housing developments going forward.

Cllr Caroline Hainsworth (Chair to Colsterworth and District Parish Council) introduced herself to everyone stating that herself and Cllrs D Bellamy and B Green were there to support the aims of the action group and handed the meeting back to Stephen Jordan-Bird.

A member of the group went through the structure of the groups Constitution and invited those present to become members.

A discussion took place and the group answered questions from the CCAG Committee on how to manage and move forward with Cllrs, C Hainsworth, D Bellamy and B Green providing additional information. A Public Meeting was a suggestion for a future date.

End:
